

## Engage, Entertain and Enrich Your Child with an Activity Kit! An Activity Kit for Your Child Ages 6-7

### Books to Read

Puppets for make-believe and imaginative play

Create a collage. (magazines to cut out pictures, scissors, and glue)

Create an activity kit for your child.  
Teach your child how to use it.

Watch your child work with the various items in the kit.

Gain time to pursue your activities.

[A Win-Win for You and Your Child!](#)

Dominoes to play games

A couple of puzzles

Dice and index cards

Learn to add, subtract and multiply using dice. And, play guessing games.

Lego blocks for building structures

Magnet to make predictions  
A magnet plus a few items (plastic spoon, metal spoon, paper clip, crayon, coin, etc.) to check which the magnet will attract or repel.

Make joyful music playing with a tambourine, maracas or a stir-xylophone
